### Local EMA East Coast Student Heads to the International Canadian Muay Thai Open

Back in April, one of our students at Elite Martial Arts East Coast (Logan McMackin) travelled to Toronto, Ontario for a week-long Muay Thai training camp and to take his Blue Shorts test. He did extremely well in all aspects and passed his Blue Shorts test with flying colors. The coaches and other students who

attended loved Logan and his friendly East Coast attitude. We are incredibly proud of how he represented our school and community with professionalism and respect. Because of Logan's hard work and dedication, we are pleased to announce that he will be travelling to Ontario again in just a few weeks to compete in the International Canadian Muay Thai Open!

During the tournament weekend, Logan will be accompanied by Billie Johnston (Fitness Trainer,

EMA East Coast), Fredrick Johnson (1st Corner and Head Coach, EMA East Coast), and Harold Mah (2nd Corner, EMA Toronto). All three trainers and coaches are confident that Logan will perform exceptionally well in the ring, given his dedication to training over the past several months. Good luck Logan!

## From the Editor

Another Long Weekend; the summer has gone so fast; I hope everyone had time to do all they wanted. The Labor Day weekend is the sign that the summer holidays are done. Children are back to school as well as teachers and bus drivers. I hear that the system has changed so that the younger students will travel when the higher grades travel. That will be a big help for the parents and bus drivers.

My summer was filled with preparing for the River Glade Speedway 60th Anniversary. The weather was perfect. 95 stockcars showed up to race, with drivers from Alberta and Newfoundland. Fans were excited to be back at River Glade. Fans were from the USA and nearly every province. Thanks goes out to all the staff that helped in any way.

Still some racing left, the "24th Annual Speed weekend" September 1 st - 3rd at Speedway 660; and their back on September 21 st .

Scotia Speedworld is racing Friday September 6, 13 & 20th ; Saturday, September 21 and 28.

Riverside Speedway racing September 7 th .

"Mike Stevens Memorial Weekend Race" Sept 11, 12, 13, 14, at Petty International Raceway. More racing October 5th and again October 11-13th .

The Maritime Motorsports Hall of Fame 7th Annual Golf Tournament at the Petitcodiac Golf Club is slated for September 22nd. Several teams have already entered. There is a dinner and prizes following the game.

The visiting hours at the Maritime Motorsports Hall Of Fame and Museum for September are 9:30am - 4:30pm, Tuesday - Saturday.

**A Trip to Town**

by Gloria Scribner

It's almost September as I pen this bit of nonsense. Lately I'm pondering the fleeting summer days with mixed emotions. Where has the summer gone?

Only yesterday I placed the seedlings in the late spring soil and already am sick of the "hodge-podge", barbecued burgers and ice-cream days of August, heat waves that drive me inside where air-conditioners beckon my weary frame. Unlike the fortunate feathered friends I'm lacking an internal thermostat. Oh! To ride the airwaves and look down on those weary pilgrims haunting the "houses of merchants".

I decide to go shopping. As I grab the last cart in the corral I realize why it was left. One wheel is contrary

and it won't steer straight. I exert all my energy to get it from aisle to aisle.

Dollar signs entice me with \$.99 instead of being rounded off to \$1. Are we such fools as to be lured by the sales to save a penny (which doesn't even exist). When will I learn that spending \$10 on gas to save a dollar on butter is insane, especially when the "50 percent off" for day old pasta or rice trays entice me to buy it because it's "On Sale!"

The four letter word that vexes me most doesn't begin with an F, but with an S (Sale!). Of course it's on "sale" or otherwise we couldn't buy it! (Dah).

And don't forget the re-usable bags or you could very well end up ...continued on page 7...

# ELGIN NEWS!

## Elgin Women's Institute So, what Happened?!?!

It's the early 1800's and settlers are arriving from Europe to make a new start in what would become New Brunswick. Settlers made their way inland by various waterways and /or by foot to begin a new life in a new and unexplored land. Life was going to be challenging!

The first settler to Elgin was John Gildart in 1806. As time passed more brave and hopeful families arrived. The challenges and hardships were many but the area grew. By the late 1800's the many farmers formed an Agricultural Society with the purpose of the promotion and expansion of agriculture.

Before long they built a large two storey building known as the Agricultural Hall to help area farmers with new methods of agriculture. The women got involved also and held fundraising suppers for various needs and projects. That two storey building still stands today....The Elgin Women's Institute Hall!

In 1911, the EWI was formed.

Suppers had been held in other venues in the community but now there was a large building which has served the area well. In the very early days the second storey was the location of fundraisers including suppers. Food was donated and suppers sold for \$2. Fast forward to 2024....the tradition continues!

The Annual Fall Turkey Supper is being held on Saturday, September 28 th this year and promises to be as delicious as ever. We are featuring dine in eating with reserved seating for 4 pm and another at 6 pm. We will also offer a very limited number of take out suppers. Due to the high cost of food we have had to plan ahead as best we can and so walk-ins will not be available but remember we do offer take-out.

Please pre-register by calling 506-756-8443 and be ready to book your seat for the time slot of your choosing. Pre-registering also requires pre-paying. Cost is \$17 for adults and \$12 for children under 12.

See you at the TURKEY SUPPER!

## PETITCODIAC KIWANIS NEWS

On July 23, 2024, fire engulfed Burgess Transportation, a long time fixture in the Petitcodiac area. The Kiwanis Club sends thoughts to the Burgess family and all employees as they regroup and rebuild. Thank you to all firemen and firewomen, local and beyond, for what you do everyday. To supply the food to keep these firefighters nourished was the least we could do, as they put their lives on the line to keep everyone safe. Thank you.

### Here's the Kiwanis news....

In July, the Kiwanis donated \$1000 to "Golf Fore the Girls". The annual fundraiser, hosted by the Ladies Division of the Petitcodiac Valley Golf & Country Club, supports the Angel Fund (Friends of the Moncton Hospital). The Angel Fund alleviates some of the stress and burden of fighting breast cancer by helping patients with additional costs such as transportation, grocery gift cards, wigs, prosthetics, etc.

On July 13, Kiwanians Brian Mitchell and Fred Knuddstrup represented our club at the St. Stephen Kiwanis Club's Golf Tournament. The day turned out to be a rainy one but they golfed through it.

On July 28, our grill was busy at the Codiatic Classic Car Show. It was a hot and busy day for everyone. In addition to hamburgers and hot dogs

for that day, we added sausages to our menu, which proved to be a hit! A special thank you to Foodland for donating the buns for the BBQ.

On August 2nd and 3rd, our outdoor canteen was busy feeding all the visitors, participants and volunteers at the Westmorland Country Agricultural Fair. It was a hot one! Thank you to everyone who came out to support our canteen and the WCAF. Thank you to Wilson's Propane for keeping our grill/friers going with propane and Gary Graham for the eggs in our breakfast sandwiches.

As this edition goes to print, our Kiwanis Club along with the Petitcodiac Legion, will be having our annual cold plate dinner takeout. The dinner includes ham, potato salad, turkey salad, coleslaw, roll and dessert.

On September 21, you will find a team from our club taking part in the Friends of the Jordan Golf Tournament. This fundraiser helps purchase items for entertainment, furniture, etc. for the residents of the Jordan Lifecare Centre, in The Glades.

Our bi-weekly meetings will be starting again in September. If you're interested in attending to see what Kiwanis is about, call Len at 506-434-2233 for more info.

## News from the Elgin Seniors Club

The first round of Connectivity Training classes for Seniors has wrapped up for now BUT new classes are forming. All the students did very well. And, because of this success, the Seniors Center is considering opening the building one day per week for two hours as a Connectivity Center. Stay tuned for more information on that. As a reminder.... classes are free thanks to the New Horizon's for Seniors Program grant.

As it becomes more and more difficult to conduct business such as banking, license renewals, tax inquiries, and benefit information, to name a few, it becomes increasingly necessary to be online savvy. Give me, June Crandall, a call at 506-756-8443, to register for connectivity classes. New classes are forming starting September 18 on Wednesday afternoon ----there are seven slots remaining. We will hold

one class per week from 2 to 4pm. Here is what you will learn:

- The basics of using a computer which includes terminology
- Improving your comfort level with using computers
- The importance of using passwords and password security
- Internet navigation and safety
- Website basics
- Email basics
- Social media basics
- Working with Google documents

The Flea Market Day on August 11 was a great success. Thank you to all shoppers who stopped by for some great bargains.

REMINDER: the Adult Health Screening Clinics are coming back to Elgin. The first of three clinics will be on October 2 from 1 to 4pm. This is very exciting because Horizon Health is very much understanding the needs of the community. Make sure you mark your calendars for October 2, November 6 and December 4. Call me at 506-756-8443 if you have any questions.

What a summer! We have been busy. Summer camp, music night at the park, and kids' day the park. We are thankful for all who came out to enjoy these events.

We are excited to see visitors and locals out using the bike trails. Thanks to all who have been out maintaining and developing new trails for all riders to enjoy.

The Elgin Mountain Bike Race will be the next event to mark on your calendar! This will take place on October 5th, 2024.

Race distances are: 10 km, 20 km, 40km, 80 km, and the famous 120km. Plus a category for electric bikes.

Included in the price of most distances is an after-race dinner. If you're not a racer, maybe you'd like to volunteer in the kitchen. If so, contact us at elginecopresident@gmail.com.

If you would like to donate garden produce or door prizes for this event it would be much appreciated. This is a fundraising event for the EEA, and funds generated will be used towards maintenance of the trails and EEA events.

For more information on the race contact Luke at elgineconb@gmail.com or visit our webpage at <https://eeanb.com>.

spending the few cents you saved to purchase a "new" bag (that you don't really need) to carry out all that stuff you saved money on. You then stand in line for 20 minutes to avoid using the "self-serve" machine; egads!

You finally hand the sales person your coupons only to be told they can't be used for "sales" purchases, only on regular priced merchandise. Sweet!! Now that's clever - even "diabolical". No wonder there are signs everywhere that say "Verbal abuse will not be tolerated!" They expect it.

You finally reach for the car door handle, just as you notice a pigeon crapped all over it! And in 30° heat you can't even wipe it off with the napkin from your purse, where you store napkins, ketchup packets and salt (that you're not supposed to be eating anyway). Gotta compensate somehow for spending \$30 on fast-food.

Alas! My shopping trip wearied me so that I'm committed to going home and taking a week to recover. I pick up the flyers from the end of the driveway and the front page catches my eye: Eggs - \$3.99 a dozen. Wow! Gotta go to town tomorrow and stock up!

As I let my grand-daughter carry my purchases from the car to the kitchen; I put the coffee-pot on and

"fall" into my rocking chair (too tired to even rock!). As I watch her bring in the bags I have a momentary pang of guilt - not because of my shopping, but because amidst all of this bounty I have become an ungrateful "grumbler". I bow my head and ask God's forgiveness. I feel I can relate to those weary souls of long ago en route to the "Promised Land". God gave them manna, and water, and His protection and guidance, and we judge them for their complaining; when we ourselves who call ourselves "Christians" have become a nation of "grumblers".

So "forgive me Lord". So many folks in this world have nothing, who even as I write this are rummaging through rubble for the bodies of loved ones and through garbage for sustenance. "And still they pray".

I feel a sadness from the depth of my being and send up a heartfelt prayer for forgiveness.

I thank my Lord for a life I don't deserve. I put away the groceries into an overflowing freezer, answer my ringing phone and hear the voice of a loved one, just "checking up on me". Then, exhausted from my shopping trip, I melt into my bed beside an open window, while songbirds serenade me, and I hear the words in my mind "I will never leave thee nor forsake thee." And I rest.

Let's talk typos.....in a newspaper's classifieds --set of 3 mixing bowels. \$ 20.00. I was tempted to call and ask, how often did you use your bowels, however, I had a gut feeling that it was likely a spelling error that was a bit much to ...er ..digest.

A man sees a sheep walking around on his street. Not knowing what to do with it, he takes it to the local police station. He asks the officer at the desk what he should do with the animal ? The sergeant advises him to take it to the zoo. The next day that officer sees the same fella walking the sheep down the street. I thought I suggested to you yesterday to take it to the local zoo. Comes the reply, yes, yes, I did as you told me and took it to the zoo. Today I'm taking it to a movie matinee then tonight I'm taking him bowling!

Many years ago, when the mad cow disease was happening, a farmer decided to relieve people's anxieties about the fiasco and posted this sign on his farm ...OUR COWS HAVE SUCCESSFULLY COMPLETED ANGER MANAGEMENT CLASSES!

A newly married couple had just brought home a little puppy poodle. That week, the man caught the stomach flu and decided to take a day or two off work and hopefully recuperate. His wife called from work one afternoon to ask how he was feeling. I think I'm feeling a little bit better he replied, oh and by the way, guess who pooped on the living room floor? His wife's response...WHO??

A sign seen in the USA during a long dry spell ....TOTAL BAN ON CAMP FIRES. DON'T EVEN FART OUT THERE!

### Be Prepared by Gloria Scribner

A nip in the air if you're up before dawn  
'Best take a sweater or cap to put on  
In case there's a blustery wind in the works  
For old Mother Nature does have her quirks  
One day it's as warm as a day in July  
Then over the blue comes a cloud sailing by  
And faster than you can say: Good gracious me!  
A downpour is upending leaves on a tree  
And apples are falling as wind bends the branches  
As leaves whirl and satchet and join in the dance  
One minute the sunshine is spreading its gold  
The next thing you notice is drizzle and cold  
No rhythm and to reason, (just take what you get)  
But best be prepared, 'though it's not winter yet  
We'll harvest the corn and the berries and hay  
Clean out the garden patch - stow it away  
Into cellars for later, when we're hunkered down  
While "winds in the willows" blow autumn around

**From the Desk of Your MLA  
Ross Wetmore, Gagetown - Petitcodiac**

Serving the people of New Brunswick as a provincial legislature member and minister has been one of the great honours of my life and I thank you.

It has been a fourteen-year mission made possible with the love and support of my wife Margaret and my family.

Starting in 2010 and wrapping up in short order, it has been my privilege to work with and speak for the people of our communities in government and in opposition.

Beginning with Grand-Lake Gagetown and more recently Gagetown Petitcodiac, the riding names and boundaries have changed, times have changed, but people haven't and thank heavens for that. I can honestly say some of the nicest, kindest, most helpful people you will ever meet, you will meet through an election campaign, and I base that remark upon experience over my own four campaigns and as a volunteer in countless campaigns before. The great debt of gratitude I owe to those many people who volunteered in my support can never be repaid, as time is priceless.

If I mention one name, I will need to mention a thousand. Except Margaret, and I can't mention her name enough. We have a lot of shared experiences since I was elected in 2010. I remember some of it like it was yesterday and some seems so long ago. We shared each triumph and each disappointment. Whether for an individual or a community. I couldn't get everything, but I did my best.

Over the last 14 years we have experienced many natural and unnatural challenges in our province. Fires and floods and severe storms, plus the pandemic and its lingering impacts

have spared no part of New Brunswick or Canada.

Nor has any part of our province or nation been spared the human misery of the growing drug addiction crisis, mental illness, homelessness and poverty.

It can all seem overwhelming, but we can remain always grateful for those people who have dedicated their careers to respond to the needs of the victims of natural disasters and human afflictions. They are backed by many volunteers, and I know they will always welcome more.

We are experiencing a remarkable year in the heavens. 2024 will be remembered as the year of the total eclipse, the Northern Lights and the shooting star displays. 2024 has made looking up at the sky trendy again. One great benefit of life in rural New Brunswick is that you don't need to travel far to gain access to a pitch-black night sky to stargaze.

2024 will also be remembered as the year of another provincial election. Many sincere and caring people are offering to enter public service by putting their names on the ballot.

I hope they will enjoy the same level of respectful treatment that I have enjoyed over the years.

I won't be running this time and whether this turns out to be sabbatical or retirement, I have learned to never say never.

In closing, I must say a big thank you to The Maritime Motorsport Hall of Fame for providing the space for me to stay in touch with you and to praise the legions of volunteers, those forces for good, who make up the fabric, heart, and soul of our communities.

Until next time, whenever that may be, thank you for your kindness...

# SALISBURY LION'S CLUB

The Nationals at River Glade Moto Cross

In July, our Lions volunteered and worked the Gate and Canteen during the Nationals Competition at River Glade Moto Cross. This event is incredibly significant to the region and our Lions loved working this event that brings thousands to our community from across Canada and serving the customers and showing them what a wonderful place the Salisbury Region is.

## August Community Days Lions Breakfast

Our Lions Community Day Breakfast is more than just a breakfast, but has a community gathering of friends and family, not only at Community Days but every third Saturday of each month. Pictured here is The MacLeod Family who also were celebrating their annual family reunion on Community Days weekend with over 80 MacLeod's getting together! We were honoured to serve them along with the entire community.

## Boys and Girls Club hold their BGC Kids Day

Each year during community days the Boys and Girls Club hold their BGC Kids Day, and our Lions work with BGC on BBQ hotdogs for over 200 kids from the area. It was great for our lions to get out and serve and partner with BGC on creating some fun for our area youth.

## July Breakfast - Salisbury Girl Guides

At our July Pancake Breakfast, the Salisbury Lions Club presented the Salisbury Girl Guides with a cheque for \$500 to help them in their fundraising efforts for a trip to Europe in 2026. The Salisbury Girl Guides worked along side our Lions during the breakfast, helping clean and set tables and learning all about volunteering in the community from our Lions, and the Lions also learned from the guides as well. Working together we all can grow, and it was great having the Guides at the Breakfast.

**Hospice Sussex - Who Are We And What Do We Do?**

- We are a non profit, volunteer-based community service offered here in Sussex and surrounding area since 2006.
- With no government funding, we rely totally on the generosity of our community supporters. These funds are used to cover costs associated with training, continuing education and office support.
- We offer non-medical support to clients and their families facing a life-limiting healthcare journey. Up until recently our services were only offered to people facing end of life and those left grieving loved ones. Now our support begins earlier to support those with a life-limiting healthcare diagnosis, such as chronic/progressive/debilitating illnesses and dementia.
- Our services include helping to arrange medical equipment loans; help arrange drives to medical appointments, for groceries, and enjoyment; short-term relief for caregivers when their loved one cannot be left alone; companionship and family support. Our volunteers are available to visit at home, in hospital and nursing homes.
- We also offer grief support, through counselling as well as a follow-up program of phone calls and letters for 13 months.
- We have a lending library in our office with books and videos on a variety of chronic and life limiting illnesses, end of life care and grief. These are available for loan by contacting the Hospice Sussex office.
- These services are all free of charge and no referral is necessary.
- We recently developed and adopted a new 3 year strategic plan whereby we identified areas of strengths and weaknesses.
- Although our strengths are many, the most important is our mission to support people at a crucial time in their lives. We've identified the importance of being involved earlier in a diagnosis to establish a relationship thus making it easier later.
- The biggest weakness identified was awareness. The community's awareness of who we are and what we offer or that we even exist is surprisingly low. "Hospice" is automatically associated with dying, death and a palliative care home, rather than kindness, compassion and living the best life possible...right to the end.
- Our hope is to create awareness by establishing relationships and collaborate with other organizations and service groups to utilize all services in order to meet the growing needs of our community.

We can be reached by phone: 506-432-5001, email: info@hospicesussex.ca, on our Facebook page "Hospice Sussex, New Brunswick" or by mail at Hospice Sussex, PO Box 4595, Sussex, NB E4E 5L8

Come out to support Hospice Sussex and enjoy some live music at our fundraiser Dance & Silent Auction, more details on page 10

**The Airplane Ride**

John lived near an airport. He had always wanted to go up for an airplane ride. At last, he had the chance. He was visiting the airport one Sunday afternoon, when his father said, "How would you like to go for an airplane ride?"

John immediately became very excited. "I would like to very much," he said.

They walked over to a big cabin plane. There were four other people going up in the plane, besides John.

John waited as patiently as he could with the seat-belt was fastened around him. He could see out the window.

"It is almost like sitting on a bus," said John. The plane began to move along the ground. John could feel a few bumps, then, all of a sudden,

there were no more bumps, but the plane glided along smoothly. John looked out the window. The plane was in the air!

"The ground is dropping," John shouted. Everyone laughed. John looked down to enjoy the scenery, as the houses, barns, fields and roads became tinier and tinier.

"At last, I am up in the air like a bird," said John.

When they came back down to the ground, his father asks, "How did you like that, John."

John replied, "That was fun, I will want to do that again."

## River Glade Speedways 60th Anniversary

The McLean family is very thankful for the fabulous support on the 60th Anniversary of River Glade Speedway which was held on August 22, 23 & 24rd.

Racing, weather, fans, old and new friends have made it a perfect 3 days for us. We have worked hard, but it has been worth every minute to see the stands full and hear all the wonderful storytelling and positive feed back. Everyone that shared memories with our family thank you for your support. A very big Thank you to all the Sponsors, without you this would not have been possible. Ernie would have been very proud of it.

# Petitcodiac Area Garden Club

Hello Gardening Friends! Welcome to September! For many this is a wonderful gardening month for both flowers, vegetables, and fruit. The wonderful Autumn blooms are coming out in full force with the cooler evenings and the rewards for the hard work in our gardens and orchards are filling our tables and pantries.

At the Community Garden the harvest began a couple of weeks ago with over 55 lbs of beans, peas, carrots, radish, cucumbers delivered to Melish Manor, Kodiak Place, and S.P.O.T. Everyone welcomed the fresh-from-the-garden vegetables. We expect to be harvesting into October as our season seems to be getting longer.

This year is the Petitcodiac and Area Garden Club's 5th Anniversary! As with many things, it truly takes a village to be successful and the Garden Club continues to thrive due to volunteers, community participation, including PRS students and local businesses, and support of the Community of Three Rivers municipality and New Horizon grants.

The Garden Club has had a significant impact on Maple Street Park. In addition to the Community Garden, which we estimate has provided over 1500 lbs of produce to

the community, raised garden beds, the accessible walking paths, benches, trees, boulders, sensory wall, natural park, and the Holmes Brook Observation Deck have been added, along with signage for visitors. Maple Street Park is truly becoming a destination spot in Petitcodiac!

Additionally, the Garden Club has placed accessible raised gardens throughout the community and has assisted with the beautification of Petitcodiac with the Butterfly Garden, Birmingham Park, WCAF grounds, Maritime Motorsports Hall of Fame Gardens, and Veterans Memorial Park. In 2022 the Village of Petitcodiac received a rating of 4 Blooms and a special mention for The School Student Garden during the 2022 National/International Symposium and Awards Ceremonies in Victoria, British Columbia, from Canada Blooms.

Of course, when looking back over the past 5 years, we are reminded that the inspiration and dedication of Gerald Gogan to the importance of gardening in our community is what started it all. Gardens and trees have been dedicated to Gerry and his legacy continues as the Garden Club continues to thrive.

In celebration of this milestone, we invite everyone to join our 5th Anniversary Celebration on September 16 from 6 - 8pm at Birmingham Park. We will be having a BBQ, entertainment and recognizing our 5-Year volunteers. This event will be free to attend, and we look forward to celebrating with our community!

Garden Club volunteers meet Wednesday evenings from 6:30 - 8:30 pm (weather permitting). It will be a

busy harvest season and will also be ensuring that as the temperatures drop that our garden is protected from the early frosts. Stop by for a chat, to help with the harvest, cover plants when needed or pull a few weeds. For the latest news and upcoming events, join our Facebook page Petitcodiac and Area Garden Club. For more information on any of our activities or to join our team of volunteers, call Cathy Drury 756-2068 or Karen Hall-Middleton 756-8224

It is with great sorrow and heavy hearts we announce the untimely passing of our beloved mother, Phyllis Plume nee Steeves, whose witty humor, love of leopard print and the colour red will never be forgotten.

Mom is survived and sadly missed by her children: Margie Yeomans, Bruce (Lorraine) Yeomans, Patsy Walker, Rodney (Marlene) and Tom (Tammy) Yeomans; grandchildren:

## OBITUARIES

Vanessa (Darren) Erb, Kristin Walker, Emma-Lee Kaye, Tyler and Ashley Yeomans, Jordan Murray, Stephanie (Dwayne) Head and Julien Henri; great grandchildren: Braeden, Bailey, and Brantley Erb, Karlee, Rylan and Hadley Richard, Tobias Warzocha and Valarie, Aria and Amelia Head; aunts and uncles: Ronnie & Winnie Bateman, Joy Welland and Anna Steeves; brother-in-law, Arnold Douthwright; sister-in-law, Barb (Barton) Ayer; nieces and nephews and many cousins.

Predeceased by her parents, Clinton (2016) and Emily (2023) Steeves; sister, Shirley (2022) Douthwright; and nephew, Darcy (1976), as well as several aunts and uncles.

Mom was a passionate reader and very creative writer. If you had ever received a letter, card or note from her you would think she was right there, telling her tale. She could play Scrabble for hours and enjoyed going to the rink, watching her grandchildren play hockey. A few years back a little guy by the name of Frid came into her life - she loved that dog, who gave her so much love, companionship and comfort, may he RIP.

Mom made so many good friends over the years and she cherished each and every one of you. A special thank you Sylvia and Kelly for your constant love and support. Also, thank you to Dr. Blanchard, the palliative care doctors and nurses at Extra Mural and Marlene, for your kindness and compassionate support. Without you, Mom would not have been able to spend her final days at home, which was very important to her.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 506-372-4800 from where a visitation was held on Sunday, July 28th, 2024 from 2:00pm - 4:00pm. A private family interment was held at the Pleasant Vale Cemetery.

**"Are you Closed or Open"**

A few weeks ago we were on a car cruise with a group and we stopped at the largest wooden church in North America. It was the Sainte-Marie church at Church Point in Nova Scotia.

The caregiver came and gave the group a tour and some information about the incredible building and the story behind it. It is a beautiful building. He went on to share that when he was young, the building would be filled twice each Sunday, and it seats 900 people. He also shared that when the decision came to close the building as a church, the attendance was less than what was there with the club, which would be 70 or 80 people. He went on to say that three churches have recently closed in that area.

That didn't surprise me. It is a common theme in many communities. What surprised me was the response from the group. There was sadness from most of the people. I was expecting maybe indifference, but not sadness.

What makes us sad to see churches close? Do we long for the days when society was safe and neighbors were good to each other and you left your doors unlocked? There could be lots of reasons for our sadness, but it doesn't have to be true for us, as individuals. What I am about to say may rub some people the wrong way but be patient and hear me out.

If those churches that are closing are just cold institutions that exist so that they can continue their own legacy of rules, legalism and coldness, then let them close.

God is not looking for open buildings. He is looking for open hearts. The biblical church was never a building, it was a group of people with open hearts searching for God and finding Him in a loving relationship. It is easy to think that God is so big and distant that he does not care about individuals. That is not true. God is so infinitely big that He cares for each individual deeply, from the one who is writing this to the one who is reading it and the one who turns the page to read something else.

Jesus says in Matthew 10:29-31 "Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father's care. And even the very hairs of your head are all numbered. So don't be afraid; you are worth more than many sparrows."

So if it has become cold and empty, let the building close, but keep your heart open. God sees you and knows you, and He cares for you, not the building. Open up to Him.

Pastor of New Canaan Baptist Church, 6145 Route 112.

**A Number of Ways to Report Criminal Activity**  
 If you see crime happening in your area, or wish to report that criminal activity has taken place, there are a few different approaches to take:  
 (1) If an incident is still in progress or is an emergency, please call 911.  
 (2) There is also the daytime non-emergency phone number for Southeast District RCMP Caledonia Regional Detachment, which is located at the corner of Pine Glen and Whitepine in Riverview: 506-387-2222.  
 (3) There is also the Online Crime Reporting (OCR) website (<https://ocresielc.rcmp-grc.gc.ca/en>) that was introduced in recent years. Types of crime that can be reported using this online tool are mischief/damage to property under \$5,000, theft under \$5,000 (including theft of a bicycle and theft from a vehicle under \$5,000), and lost property. This tool can take the place of having to phone the province-wide RCMP non-emergency line (1-888-506-RCMP) or visiting a detachment such as Caledonia. At the end of filing a report using OCR, you will receive an e-mail confirmation with an incident number and a report, which can be used for insurance purposes.  
 (4) Another option is the New Brunswick Department of Justice and Public Safety's Safer Communities and Neighbourhoods (SCAN) Investigative Unit. SCAN works closely with policing services such as the RCMP to remove the criminal element from communities. The difference is: with the SCAN Act not being criminal legislation, this is a civil law approach through Court of King's Bench in which property owners and occupants are held responsible for criminal activity such as prostitution, drugs, illegal liquor, illegal gaming, illegal firearms and organized crime, including fortified houses. Another difference under the SCAN Act as opposed to a criminal investigation is that the complaint remains confidential and it is the SCAN officer, not the complainant, who appears in court. SCAN is a community-driven program in that it takes complaints directly from public complainants who are affected in cases where safety is an issue. The goal of SCAN is to make an area feel safe again through both non-judicial and judicial actions. SCAN can be reached by phone at 1-877-826-2122, by email at [SCAN@gnb.ca](mailto:SCAN@gnb.ca), or online at [www.gnb.ca/publicsafety](http://www.gnb.ca/publicsafety).

# Salisbury Happenings

## Salisbury 250 - August Theme: Early Settlers

The Salisbury 250 programming has been celebrating the anniversary of permanent settlement in the Salisbury area. When the Yorkshires travelled overseas to start a new life in North America, they settled in this area 250 years ago. Many Salisbury residents today are descendants from this group of Yorkshires. However, we know that Salisbury's history did not start there. Indigenous encampments could be found along the Petitcodiac River for centuries before the Yorkshires' arrival. The river provided a method of transportation, a place to gather food, and was often used as a landmark when drawing maps. When the Acadians arrived in the area,

these two groups befriended each other and benefited from what each could offer; the Indigenous peoples taught the Acadians how to survive the cold winters, and the Acadians offered new goods and materials to trade. These early settlers became friends - some would even consider each other family. Beausoleil Village (in present-day Allison) is an important landmark in Acadian history during the time of the Acadian Expulsion. Joseph Broussard led his fellow Acadians to safety by leading them to the Salisbury area, until eventually leading them South. To read more about Joseph Broussard and Beausoleil Village, explore the Salisbury 250 Banner Program here: <https://salisburynb.ca/salisbury-250-banner-program/> When the Yorkshires arrived in 1774, they benefited greatly from the land cultivation and diking left by the Acadians. This was essential to their survival, thus leading Salisbury to become what we know

it to be today.

Aired for the first time in August during Community Days, the Salisbury 250 Documentary tells the story of the Salisbury area before, during, and after the Yorkshire settlers' arrival. The 25-minute documentary, produced by Peach Marketing for the Town of Salisbury, can be viewed online at <https://salisburynb.ca/salisbury-250/>. Thank you to the Government of Canada and the Government of New Brunswick for their financial contribution and support with this project.
