## Canadian Muay Thai Open Bronze Medal Standing for EMA East Coast!

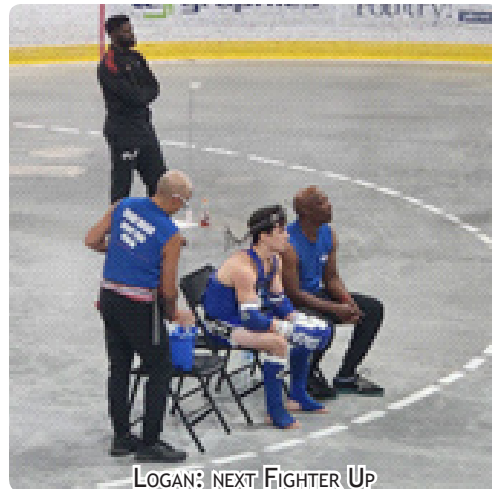

Elite Martial Arts East Coast (Community of Three Rivers -

Petitcodiac) is proud to announce that Logan McMackin's first fight is a wrap, and he came home with a Bronze standing from the Canadian Muay Thai Open. This is Elite Martial Arts East Coast and Elite Martial Arts Toronto's first ever medal standing in a tournament of this size (248 Athletes competing in a weekend long elimination tournament).

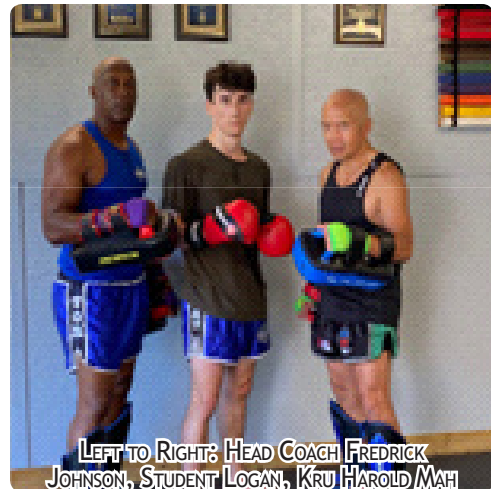

His coaches received much praise from officials, spectators, and fellow athletes stating that they'd never guess this was Logan's first time in the ring. Although he didn't win the championship, all three rounds were SO close in points! It was a nail biter right to the end!

We're SO PROUD of how Logan presented himself and represented our schools. We hope to attend CMTO 2025 with Logan and perhaps with another up-and-coming student or two!

## From the Editor

What a warm month of September, several heat records were broken here in New Brunswick. Most of the leaves are still on the trees. This was not a good thing for the moose hunters. congratulations to all the lucky hunters that bagged their moose. To all the unlucky hunters, maybe next year.

The 2024 Elgin Mountain Bike Race is Saturday, October 5th, registration closes at Midnight October 4th. All races come with a free sit-down meal, beginning at 3:00. The community may purchase meals, adults \$20 and \$10 up to age 12. The Elgin Eco Association continues to define its purposes of promoting economic and environmental sustainability through educational projects, events and fundraisers.

The Maritime Motorsports Hall of Fame held their 7th annual Golf Tournament on September 22nd, at the Petitcodiac Golf Club. 20 teams were registered.

There are still race tracks having shows. September finally had some good weather for racing.

The Maritime Motorsports Hall of Fame and Museum are celebrating its 15th anniversary on October 16th, while the organization celebrates 20 years. They wish to thank the many people who have supported them throughout this period of time.

Have a Thankful and Happy Thanksgiving!

Have a safe and Happy Halloween to everyone!

From your editor,  
Winona McLean

## Glass Recycling Bins

The Community of Three Rivers  
7 Wheaton Road, Petitcodiac

You can give your glass a second life and help keep it out of the landfill by bringing it to be recycled. If you have clean glass, separate it into clear and coloured. We have one bin for clear and one bin for coloured, (no covers, mirrors, ceramic, windshields, pyrex, or tempered glass).

We also have a cardboard recycling container next to the glass recycling bins; and a place to put your branches and wood ashes, just past the Public Works Facility on the left.

Thank you for helping to recycle!

## Recyclable Bottle Drop Off Pilot Project

Location: 7 Wheaton Rd, Petitcodiac, NB

A new location has been set up to donate refundables. This will be on a trial basis to see how it goes. If people respect the drop off location and follow rules posted on bins, we will be able to continue.

Dave Watson has generously offered to manage this pilot project and would welcome additional volunteers! Recyclables will be collected and taken to a redemption centre for refund. Monies collected will be donated to a non-profit organization, group, or project.

## FALL CLEAN UP (CURBSIDE)

Village of Petitcodiac inside village limits only  
**October 4, 2024**

There will be several vehicles performing the task. FERO will pick up appliances, upholstered furniture including mattresses and box springs, wood and metal furniture, carpeting, storm windows.

Construction and renovation materials can be left for the pickup only if they are boxed or bagged in small enough amounts to be hand lifted onto the truck. These items should not contain nails or other sharp objects that could pose an unseen hazard to the attendant. FERO will do their best to complete the task in the one day. If disposing of car tires please put out no more than four tires. For additional information, please call 855-3376

# ELGIN NEWS!

## News from the Elgin Seniors Club

A new class of Connectivity Training for Seniors began on September 18. The classes are 1 day per week from 2pm to 4pm. No date has been set to begin the Connectivity Center. Stay tuned for more information on that. As a reminder... classes are free thanks to the New Horizon's for Seniors Program grant. As it becomes more and more difficult to conduct business such as banking, license renewals, tax inquiries, and obtaining benefits information, to name a few, it becomes increasingly necessary to be online savvy.

### REMINDERS:

The **Adult Health Screening Clinics** are coming back to Elgin. The first of three clinics will be on **October 2 from 1 to 4pm**. This is very exciting because Horizon Health is very much understanding the needs of the community. Make sure you mark your calendars for **October 2, November 6 and December 4**. Call me at 506-756-8443 if you have any questions.

Swing by for **breakfast** on bike race day - **October 5** from 8 to 10:30 am. We will be serving (as long as supplies

last) eggs, ham, hashbrowns, toast with jam, orange juice, plus tea and coffee. The cost is \$12. Hope to see you there.

The **Annual Jamboree** at the Elgin Community Center (at the fire hall on the corner) on **October 26 from 7 to 10 pm**. We have a variety of entertainers plus the canteen will be open to serve hotdogs, pop, water, tea, coffee and donuts. Entrance fee is only \$5.00. There will be door prizes, too!

**Announcing the flu clinic** at the Elgin Seniors Center on **November 1 from 9 to 11:30 am**. Horizon Health will be there for you.

Finally, the **Annual Bake and Craft Sale** is on **November 9 from 9am to 3pm**. Contact June at 506-756-8443 or junecrandall1205@gmail.com if you have crafts and baking to sell.

**ALL OF THE ABOVE EVENTS ARE AT THE ELGIN SENIORS CENTER 1866 ROUTE 895, ELGIN.**

If you wish to join the **Elgin Seniors Club**, our meetings are **every 3rd Monday** of the month. We meet shortly before noon to prepare a noon meal which we share and include lots of laughter and conversation. Our meeting begins shortly after lunch. The Seniors Club is open to individuals over age 50! The Seniors Center, where we hold our meetings, is at 1866 Route 895.

## Elgin Women's Institute Healthy Living

The following is taken from the **Health Canada** website. Please take a moment to read and reflect on your own situation.

"Canadians are enjoying longer life spans and better health than ever before. The proportion of seniors in the Canadian population is expected to double by 2025. Health Canada is proactively conducting research and planning to better understand the needs of Canadian seniors and to ensure that programs and services respond to Canada's demographic aging.

**Healthy living means making positive choices that enhance your personal physical, mental, and spiritual health.**

**You make these choices when you:**

- follow Canada's food guide's healthy eating recommendations to make healthy food choices and build healthy eating habits;
- build a circle of social contacts to create

a supportive environment of people who care for you and respect you

- stay physically active to keep your body strong, reduce stress, and improve your energy.
- choose not to smoke; and
- put an end to other negative lifestyle practices."

Mark your calendar for October 2nd at the Elgin Women's Institute Hall. From 10:00am - 1:30 pm you can enjoy a free program of fun, information, comedy, and a healthy lunch. Presenting: Nursing Homes Without Walls...coping with stress... personal safety and security while shopping...and much more. Call Bonny at 506-756-8353 for more details.

Keeping yourself informed about positive health practices within your environment is an important way to improve your overall health and sense of well-being.

Where did the summer go? The leaves are starting to turn. It is Bike race time!

Thanks to our trail committee for getting the trails ready for the race. With the addition of two new groom trails.

Thank you to the Park Committee Nixon, Erin and Bevin for doing a great job at planning activities at the Park this summer.

We are in need of a secretary. Once a month you would be asked to take the minutes for the meeting. It is a great way to volunteer your time and give back to our community.

For those new to the Elgin area. We are a small group of community minded people, who work together to offer outdoor activities. We have mountain bike trails and walking trails.

We maintain the park and organise activities for our families. We are always looking for volunteers to help, and are not asking for a long term commitment. Just an hour here and there to help with our association.

Our next meeting will be held at the Elgin Women's Institute Hall (32 Gowland Mountain Rd, Elgin), October 3 at 7:00

Agenda items will include the final plans for our mountain bike race. Volunteers are needed, and you don't need to have knowledge of mountain biking to help out! Contact Luke at [elgineconb@gmail.com](mailto:elgineconb@gmail.com) to see what roles are available to help with.

See the next page for more info.

### Comedy at Large

by Laurie Blanchard Salisbury, NB

In a Guinness book of records, dated 2010, the most expensive caviar is one called Almas from an Iranian Beluga fish, a rare albino sturgeon that is at least 60 years old. One kilogram (2.2 pounds) is sold for an astounding \$34 500!! So if you are planning on bringing a tub of it to the family pot-luck, make sure to let the relatives know they better have cash on hand. This isn't a freebie! I'm thinking that you may possibly be the only one feasting on it! Case closed.

Also in that book, on June 8th 2006, the largest pizza delivery was made by Papa John's pizza company when 13 500 pizzas were delivered to the NASSCO shipyard in San Diego, California. After unloading all of them from that straight truck, I would hope that the driver got a rather substantial tip after using, I would think, a forklift and hopefully not hand-bombed!

How about this ... The Bawalet Dimasha restaurant in Damascus, Syria has 6014 seats! Over 1800 staff work there during peak seasons where people take eating out very seriously. I can almost imagine a waitress walking with a serving tray full of food and thinking...wait a minute, where was that table???

I have serious fears about speed bumps, however, I'm slowly getting over them

### The True Light

by Gloria Scribner

Looking out my kitchen window this afternoon, I saw the long slender shadows of the pine, birch and maples stretching themselves across the back forty. If one didn't consider the time of day, it would have seemed as though giants stood in the hedgerow. The light of the sun can be deceptive to our perception of the smaller points of our vision. We can't always believe what we encounter at face value.

I lay in bed one night with a night-light to guide me if I should need to get up. Sure enough! I awoke desperate to make a "pit-stop" from my dream time and as slumber left me I started to manouver my broken rib-cage out of bed, when a huge shadow on the wall caught my eye. The spider was seemingly so large his legs were on the wall and the ceiling,

oh my! Only desperation empowered me to sit up, get up, then "look up". On the opposite wall was the "real" spider, as tiny as the end of my little finger, but its shadow (due to the lighting) made its reflection appear "monstrous".

Sometimes our fears are magnified, by the light cast on them. Reality check - nothing is as frightening as we imagine - an old insult was once "He's afraid of his shadow". Night time and darkness bring scary sounds and our imaginations sometimes run wild if we're prone to nightmarish meanderings, but my advice is just "look up". The true "light of the world" smiles from the deepest recesses of ours and casts his light into the darkness. I'm not alone in the night nor do I turn a deaf ear to His gentle whisper: "I'm with you always." Rest!

Happy Fall Season from The Pantry. We hope you had a lovely summer and enjoyed some of what our beautiful province has to offer! We were grateful to see so many new and familiar faces in the store this summer and at The Petitcodiac Farmers Market. It's hard to believe this was our third summer open! Times flies when you're having fun!

While a busy time of year, it's always great to be able to work with the local farmers and food producers in the area to ensure we have access to the most fresh and local food options! Same goes to our dedicated market vendors who come out each week to supply the community! A lot of hard

work goes in behind the scenes and it's so great we have the option to "support local".

We were sad to say goodbye to our summer student Kenzie Pond but are grateful for the help we received from her and our dedicated volunteers. Without them, The Pantry wouldn't be possible. As a non-profit organization we are always looking for help to keep the programs and store going. With the upcoming holidays season, we are looking for a couple more volunteers to train on the cash register, to help in the store or in our licensed kitchen. Stop in or send us a message to learn more. Our volunteer application can also be found on our website: [www.pantryfoodhub.com](http://www.pantryfoodhub.com)

With summer coming to an end that means our Weekly Vegetable Box program is ending as well but our Monthly Food Box Program will continue through the fall and winter months. This box includes local eggs, meat,

veggies & fruit. The program is subsidized by The Pantry & our local sponsors to offer our unique pricing structure "pick your price and pay what you can". The hope is to make local and healthy food more accessible to everyone! If you are an individual or business owner who would like to help sponsor this amazing program, please let us know. Charitable tax receipts will be provided.

We will be working to bring in some new local products over the next couple months so be sure to stop in and check out what's new! As always be sure to leave requests too!

Thank you to everyone who shows their support for the work we are doing. We couldn't do it without you!

Hope to see you soon, at The Pantry.

**Public Opinion**

Officials at the Salisbury Regional School believe that their neighbors really want and need to listen to school announcements, period ending/starting bells and, oh yes, our national anthem at 8:30am. Monday to Friday throughout the school year. And just so we don't feel like we're missing out on weekends, often the period bells ring then too.

But the reality is...we don't! If these annoying noises were made by either a private enterprise or citizen they would likely be charged for contravening noise bylaws. So why do they do it? Well the school answers range from: "Its always been that way" to "Well if there's a school emergency such as a shooter, we need to be able to warn outside people not to come into the school."

Some logic. One has nothing to do with the other. Daily announcements do not train anyone to hear emergency broadcasts. In fact, its more likely that the children would miss or ignore a true emergency broadcast after years of blocking out non essential chatter.

The last point is that these noises

and announcements are disrespectful and unnecessary intrusions into the peaceful lives of adjacent neighbours, not to to mention a thorn in the side of people who work night shifts or who have nighttime sleep issues.

And by the way, Salisbury Regional is the only school that I've ever heard do this. The solution to this simply involves the flip of a switch from external to internal.

None of the neighbours I have spoken want to hear these noises and no doubt many have complained over the years. School officials absolutely have to know that none of the local residents want these noises. And to have done nothing about it, is nothing but complete arrogance.

The town municipal office told me to go talk to the school. They weren't interested in helping. Ah ya gotta love government.

So all I can say is that its high time this school finally shows some consideration for its neighbors and the community and ends these unwanted and unnecessary noises now.

-from a concerned citizen

**Country Sounds of Silence**

Have you listened for sounds in the twilight  
When dusk settled over the land  
And have you been thankful to highlight  
The hush from the touch of His hand  
When softly the songbirds had nestled  
In nests of a sheltering calm  
And all of God's creatures awaited  
The far off illusion of dawn  
And have you stepped out when the shadows  
Lay, silver streaked dreams of twilight  
When silence is wrapped in a whisper  
And blossoms have closed for the night

Where nothing is stirring the branches  
Of trees but the in-coming mists  
That wrap around garden and grotto  
And silently shroud all of this  
Bit of trifling earth-matter, and hushes  
The cricket, the mouse and the bird  
While cornfields are standing like sentries  
And nary a whisper is heard  
No traffic, no guns and no mortar  
No war interrupting our dreams  
But children of night "undercover"  
Lie wrapped in an Autumn moonbeam

**October Lights**

October nights with Autumn lights  
Are everywhere oh, My!  
Big full moon and stars all strewn  
Across the nighttime sky  
Lanterns waving coming homeward  
Lamps at evening lit

Jack-o-lanterns on a fence-post  
Oh the sight of it  
Shooting stars to wish upon  
Porch lights when you roam  
Someone's listening for your footfall  
Up the steps of home

### Community Connection and a Vision for a Thriving Sussex-Three Rivers

On September 10th, under the sun and with the scent of BBQ in the air, I launched my campaign for the upcoming provincial election as a Green Party Candidate. The block-party style event was a celebration of community, with families, children, and supporters gathering to share a meal and conversation. The energy of the day was contagious, with laughter from the children's games and the buzz of excitement as we came together to talk about the future of Sussex-Three Rivers.

As I stood up to speak, I was filled with gratitude. Seeing so many familiar faces and new ones, all here because they care about the future of our community, was inspiring. It reminded me of why I chose to step up and run in this election: because I believe in the potential of Sussex-Three Rivers to be a place where everyone thrives.

The day wasn't just about launching a campaign; it was about connecting with the community, listening to concerns, and sharing a vision for a better future. One of the most memorable moments for me was looking out into the crowd and seeing smiles, nods, and even a few tears (thanks Mom!). What I was saying resonated. The reactions encapsulated everything I believe about the power of community and the importance of listening to one another.

Throughout my speech, I talked about our shared values: sustainability, justice, and equity. I spoke about the importance of standing up for a Sussex-Three Rivers where everyone has access to quality healthcare, affordable housing, and an education that sets our children up for success. These aren't just talking points; they are the guiding principles behind my campaign.

At the heart of this campaign is the belief that "a rising tide raises all boats." When we invest in people—through healthcare, housing, and education—we create a stronger, more vibrant community. As I shared with those at the launch, my priorities include:

**Improving Healthcare:** We need a healthcare system that meets the needs of every resident, not just in moments of crisis but through preventive care and support for mental health.

**Affordable Housing:** Housing should be a right, not a privilege. I am committed to advocating for policies that ensure everyone has access to a safe and affordable place to call home.

**Education:** Our children deserve the best start in life. I will fight for improved funding for schools, smaller class sizes, and better support for teachers, ensuring that every child has access to the quality education and support they need to succeed.

These are the issues that matter most to our community, and it was clear from the conversations I had that day that we're ready for change.

I left the launch feeling more energized than ever. The event wasn't just a kick-off—it was the beginning of a movement for positive change in Sussex-Three Rivers. But it's not a movement I can lead alone. I need your help.

If you believe in a future where everyone thrives, I encourage you to get involved. Join us in this campaign. Together, we can build a Sussex-Three Rivers where every person, every family, and every community has the opportunity to succeed.

## 2024 Fire Prevention Week - October 6 - 12, 2024

When the smoke alarm sounds, **get outside and stay outside.**  
Go to your **outside meeting place.** Call **9-1-1** from a mobile phone or a trusted neighbor's phone.  
Stay outside until the fire department tells you it is safe to go back inside.

# Smoke Alarms: Make Them Work For You!™

**Test** all smoke alarms at least **once a month** by pushing the test button.

Make sure smoke alarms **meet the needs** of all family members, including those with sensory or physical disabilities.

**Replace** smoke alarms **10** years from the date of manufacture.

**You could have as little as two minutes to get out safely once the smoke alarm sounds. Working smoke alarms give you early warning so you can get outside quickly.**

## Installation

- Install smoke alarms in every bedroom, outside each separate sleeping area (like a hallway), and on each level (including the basement) of the home.
- When installing, follow the instructions that come with the smoke alarm.
- For the best protection, interconnect all smoke alarms. When one sounds, they all sound. It is important to have interconnected smoke alarms if you sleep with the bedroom doors closed.
- A smoke alarm should be on the ceiling or high on a wall.

## How to Choose an Alarm

It is important to purchase a smoke alarm that is listed by a qualified testing laboratory. The two most common types of smoke alarms are ionization and photoelectric alarms.

- For the best protection, or where extra time is needed to wake up or help others, both types of alarms or dual sensor ionization-photoelectric alarms are recommended.
- An ionization smoke alarm is more responsive to flaming fires and a photoelectric smoke alarm is more responsive to smoldering fires.
- Photoelectric smoke alarms are the best type of alarms to be installed near the kitchen and bathrooms to reduce nuisance alarms.

## Testing and Maintenance

- Test smoke alarms at least once a month by pushing the test button.
- Follow the manufacturer's instructions for cleaning to keep smoke alarms working.

## Replacement

- Smoke alarms with non-replaceable (long-life) batteries are designed to remain effective for up to 10 years. If the alarm chirps, warning that the battery is low, replace the entire smoke alarm right away.
- For smoke alarms that do not have non-replaceable (long-life) batteries, replace batteries at least once a year. If the alarm chirps, replace only the battery.

# Petitcodiac Area Garden Club

Fall has arrived and already we are seeing the leaves begin to change to beautiful reds, oranges, and yellows, even though summer temperatures have continued. For many, Fall is one of the most wonderful times of the year! Crisp mornings, warm days, and cool evening are a welcome change, while we wrap up our harvests and prepare our gardens for Winter. To date, the Community Garden has donated 300 pounds of fresh produce to our local seniors' residences and S.P.O.T. and we are not finished yet! With no frost and the continued warm, sunny weather there is an abundant crop of tomatoes still ripening on their vines. Once they are ready, we will be holding a Salsa making event. Of course, only the tomatoes know when they will be ready, so the date, location, and other details will be shared on our Facebook page soon.

On August 16, the Petitcodiac and Area Garden Club hosted a Block Party at Burlington Park to celebrate our 5<sup>th</sup> Anniversary as a Club. It was a beautiful late-summer evening, with many from the community came out to enjoy the BBQ and Anniversary cake. Susan Layton provided wonderful music, children of all ages enjoyed rock painting, hula-hooping, and the goats and bunnies brought by Red Pine Nubians Farm.

The Honorable Tammy Scott-Wallace, New Brunswick MLA, Sussex-Fundy-St. Martins, Minister of Heritage, Tourism and Culture was in attendance and noted that for a small community

there is always something happening in the Community of Three Rivers! Also in attendance was Mayor Peter Saunders, who presented the Garden Club charter members with a gift celebrating their 5-years of volunteering with the Club. Charter members include Karen Hall-Middleton (Chair), Robyn Greene (Treasurer), Joyce Barbour, Esther Hall, and Minnie Estabrooks, who were all in attendance. Mayor Saunders congratulated the Garden Club on its success and expressed the community's appreciation for the efforts of all Garden Club's volunteers, mentioning Maple Street Park, Veterans Memorial Park, and Burlington Park, as examples of where the Club has been involved in the creation and/or maintenance of three beautiful parks in the Village. To everyone who attended and those who helped with the Block Party, thank you for supporting the Garden Club.

Demand of raised garden beds is continuing to grow, and the Community Garden will be looking to increase the number of available beds next year. It is wonderful to see people enjoying accessible gardening. Over the winter months, continue to look for updates on our activities, as true gardeners know that as soon as one season finishes, it's time to start planning for next season. Garden Club volunteers will continue to meet on Wednesday evenings from 6:30 - 8:30 pm (weather permitting), until the harvest is complete, and the garden is tidied up for the winter.

Stop by for a chat, to help with the harvest, water, or cover plants when needed. For the latest news and upcoming events, join our Facebook page Petitcodiac and Area Garden Club. For more information on any of our activities or to join our team of volunteers, call Cathy Drury 756-2068 or Karen Hall-Middleton 756-8224.

**Gary McLaughlin**  
1962 - 2024

It is with great sadness the family announces the passing of Gary Francis McLaughlin, who passed away in the early morning hours of August 3rd, 2024 surrounded by his family at the Moncton City Hospital. Born in Sussex, New Brunswick, he is the son of the late Henry and Ella (Sanford) McLaughlin. He was the husband of the late Tracey (Jones) McLaughlin, who passed away in the winter of 2023.

For the majority of his life, Gary worked labour jobs, from pipelines to mining, farming and constructing buildings; he was always happy to do the manual labour jobs that many people would shy away from. He spent a lot of time working underground in the potash mines of Cassidy Lake and Penobsquis New Brunswick, as well as Rocanville Saskatchewan. When he wasn't working, he could often be found cutting wood, playing in the yard with his tractor, or at the family farm in Poodiac. Gary was what you would consider a jack of all trades, master of none.

Gary is survived and sadly missed by his son, Izaak and his wife Amy (McDade) McLaughlin of Havelock, his brothers David McLaughlin of Plumweseep, William McLaughlin, of Poodiac, Fred McLaughlin (Jane), of Sussex Corner, and his sisters Gloria Payne, of Sussex, and Marie McLaughlin (Doug) of Waterford, as well as several nieces and nephews.

Gary is predeceased by his brother, Philip McLaughlin, his sisters Theresa Middleton and Eileen McLaughlin, brothers-in-law Frank Middleton and Frank Payne, sister-in-law Jessie McLaughlin his nephew James Middleton as well as his father-in-law, Gary Jones.

The family would like to thank the doctors, nurses, and staff of the Trauma, 3400 and Coronary Care Units of the Moncton Hospital.

Arrangements have been entrusted to the care of the Salisbury Funeral home (506-372-4800). A

celebration of Gary's life was held on Thursday, August 8th, 2024 at 11:00am with Pastor Jarvis Lepper officiating at the Salisbury Funeral Home. A private interment took place at Fair Haven Memorial Gardens.

If so desired, donations in Gary's memory may be made to The Friends of the Moncton Hospital.

**Shirley Burrill**  
1947 - 2024

Shirley Ann Burrill, 66 of Colpitts Settlement passed away Wednesday, August 7, 2024 at the Moncton Hospital. Born in Moncton, she was a daughter of the late Wilfred and Joyce (Tucker) Croft. Shirley was a homemaker; she enjoyed baking and was a foodie. She loved time spent with her family, especially her grandchildren.

Shirley is survived and sadly missed by her husband Philip; daughters Joyce Babkirk (Josh) and Amanda LeBlanc (Jason); grandchildren Brady, Trinity, Imagen, Logan and a great grandbaby soon to arrive; sisters Evelyn Goguen (John) and Nancy Croft; brothers Bill Croft (Judy), Donald Croft (Trish) and James Croft (Kathy); several nieces and nephews and her extended family and friends. Besides her parents she was predeceased by her brother Edward Croft.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 3350 Route 106 (506-372-4800) with visiting Tuesday, August 13 from 6 pm - 8 pm. The funeral was held in the chapel Wednesday, August 14 at 3 pm with Rev. Bill Parks officiating. Interment in Pine Hill Cemetery.

Memorial donations to help the family with funeral expenses or to a charity of choice would be greatly appreciated.

## OBITUARIES

**Paul Briand**  
1955 - 2024

It is with great sadness that we announce the passing of Paul Briand, 69, of Elgin on August 23, 2024, with his family by his side at his home.

Born in NeilsHarbour, Cape Breton on March 26, 1955, he was the son of Susan Briand (Rambeau) and the late Douglas Briand.

Paul is survived by his wife, Susan of 36 years; his four daughters: Julie Street, Candace Briand, Rebecca Sharp, Candice Collens and all of his grandchildren. Also survived by his brother, Philip Briand (Allison); sisters: Heather Briand Roy (Shawn), Wanda Briand, Vicky Pavlicic (Peter) as well as several nieces, nephews and cousins.

Paul loved life, his family and friends. From his teenage years, Paul had a passion for driving trucks, which led to a long career that took his all over North America. He was able to live out his passion. In his spare time, Paul loved to fish, hunt, four wheeling and tell tall tales about all his adventures. He lived his life on his own terms. He made a lot of good friends over the years and cherished each and every one of you.

The family would like to express a sincere thank you to Dr. Brown, staff of the Petitcodiac Medical Center, George Dumont Hospital, Moncton City Hospital, Palliative Care Doctors and Extra Mural Nurses with special thanks to Claudiane. Without all of you, Paul would not of been able to spend his final days at home.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 506-372-4800 from where the family received relatives and friends in Celebration of Paul's life on Wednesday, August 28th from 6:00pm - 8:00pm.

If desired, donations made to the Canadian Cancer Society or a charity of donor's choice would be appreciated by the family.

Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

**Donald Bustin**  
1940 - 2024

Donald Allen Bustin began life on a farm in Portage Vale, NB, and finished as a man who left an impact on the lives of many people. His unwavering love for God and others was evident in his relationships with his family, his work as a Chartered Professional Accountant, and his service to God.

On September 9, 2024, Don passed away peacefully at the Moncton Hospital surrounded by his loving family. Born on March 2, 1940 to the late Harry and Irene (Horsman) Bustin, he started down the path which culminated in him becoming a Chartered Accountant in 1964. Over the next 54 years, he made a difference in the lives of many. He had a heart for people and their welfare, not just with their finances. Don served them with care and integrity. He appreciated not only his clients but his employees as well. Don's faith in Christ was the source that guided and strengthened him each day. He had a passion for ministry in overseas countries. He and Peggy had wonderful experiences doing short term ministry in Kenya and Uganda, which blessed them tremendously. Don's fun sense of humour made for exciting times at home, or really, wherever he went. His children and grandchildren remember well his love of ice cream and sweet treats. Don was never happier than when he was in Portage Vale with his tractor, his gardens, his honey bees and his many animal projects.

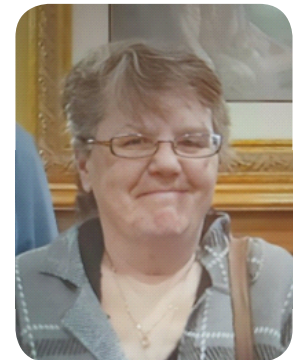

## OBITUARIES

He is survived by his wife of 63 years, Peggy (MacArthur) Bustin; his three sons Graham (Becky) Bustin, Dennis (Diane) Bustin, Darrell (Laura Lee) Bustin, and daughter Joy (Mark) Coffin; grandchildren Cody (Victoria) Bustin, Skylar Bustin, Paige (Robert) Curtsinger, Jay (Alyssa) Bustin, Abigail Bustin, Bronwyn Bustin, Caleb (Aynsley) Bustin, Holly Coffin and Max Coffin. He was also the proud great-grandfather of Noah, Elizabeth, Charles and Catherine Bustin; Chloe, Robert and Riley Curtsinger; and Emma Bustin. He is also survived by his sister Louise (Rev. Dean) MacDonald, as well as special nieces and nephews. Don was predeceased by his parents and his sister Lois Bustin.

Arrangements have been entrusted to Salisbury Funeral Home. The Celebration of Life for Don was held at Highfield Baptist Church, Moncton, on September 14, 2024 at 11:00 am. In lieu of flowers, donations in his memory can be made to Canadian Baptist Ministries (CBM), Crandall University, and The Gideons (ShareWord Global). Thank you to Dr. Jason MacDonald and Dr. John McCrea and the staff of 3600 and 5200 at the Moncton Hospital for the compassionate care given to Don.

**Cheryl Wylie**  
1953 - 2024

It is with sadness the family announces the passing of Cheryl Wylie, 71, of Petitcodiac on September 3, 2024 surrounded by her family. Born in Petitcodiac, she was a daughter to the late Lorne & Lula May (Parsons) Surrect.

Cheryl is survived and sadly missed by her spouse, Peter Oates; her children, Kim Downey (Alex) of Ontario and Adam Wylie of Ontario; her grandchildren: Cameron, Ryan, Emily, Isabella, Brooklyn and Julia; her siblings: Larry Surrect (Sheila), David Surrect and Harold Surrect (Della) as well as several nieces and nephews.

Besides her parents, Cheryl was predeceased by her son, Mark Wylie; her siblings: Mary, Carolyn, Garda, Clifford and Allan.

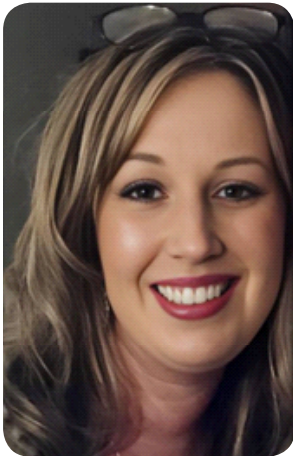

Arrangements have been entrusted to the care of Salisbury Funeral Home, 506-372-4800. All arrangements at this time are being held privately.

If desired, donations made to the Cancer Society would be appreciated by the family. Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

**Megan Kelly**  
1988 - 2024

It is with heavy hearts we announce the passing of Megan Rebecca Kelly, surrounded by her family, at the Albert House Hospice on Thursday, September 12, 2024.

Born March 8th, 1988, she is lovingly remembered by her parents Dan and Lenora Kelly; fiancé Ryan McTavish; sister Amanda Kelly; cherished nephew and niece Jack and Mya and several aunts, uncles and cousins.

Megan obtained her BN at UNB with honours, working in St. John Orthopedics and Foothills ICU in Calgary for twelve years. Megan loved her work and fellow colleagues.

Megan had an adventurous spirit and her passion was travel, always planning the next trip. She volunteered with the Animal Rescue in Calgary and coached youth volleyball. Her kindness and thoughtfulness of others will not be forgotten.

Megan's family and friends were the foundation of her life. She will be missed and treasured forever.

She was a special fur Mom to Cheddar.

Special thanks to all who cared for Megan and to the wonderful staff at Albert House for their compassion and loving care.

A Celebration of Megan's Life was held at the Salisbury Funeral Home, 3350 Route 106 (506)372-4800 on Monday, September 16 from 6 pm - 8 pm. A private graveside service was held at the Loyalist Cemetery.

In lieu of flowers, donations in memory of Megan to the Albert House Hospice, Loyalist Cemetery or charity of choice would be appreciated by the family.

**"Taste and see"**

*Psalms 34:8 "Taste and see that the LORD is good; blessed is the one who takes refuge in him."*

If you know me, you know I am a car guy. I enjoy them and enjoy driving them. I have met people who have read a lot about cars. They can quote you horsepower ratings and 0-60 times for all kinds of cars. And that is fine, but it isn't me. I like to experience them and drive them. That goes with a lot of things in life. You can tell me that you cook an awesome steak, and you can describe all the preparation you put into that awesome steak, but until I have tasted it, it is just knowledge. A bunch of facts. But once it is tasted, it becomes real.

Christianity can be the same thing. We can have lots of facts and knowledge but have not "tasted" God. Having the facts can even make us quite comfortable and make us feel secure. But does it give us life?

An unplowed field is stable and unchanging. It just sits there, producing nothing but alders. It may have knowledge of a fruitful past, but no experience in the present. But, when the farmer takes the plow and works the field and plants a crop, the ground produces a harvest of food for man and animal. It becomes alive and supplies a source of life. It can experience life abundantly and give it to others.

A car parked in a garage may be fine to look at, but doesn't really show it's potential until it is driven. Then, in my "Car guy brain", it comes alive, and it shares its "life" with the driver.

Don't be content with just knowing the facts about Jesus Christ and His Gospel. He didn't come to earth to die and rise again so you could know facts. John 10:10 says "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.". He came so that you can experience Him and have the Joy that comes from a relationship with Him. He doesn't want to just "Sit in the garage". He wants to show you what He is like and share His life with you.

Don't be content with just knowledge. Step up and "Plow the field" or "Start the car" and experience the One who Loves you more than even angels can understand.

Dave McPherson  
Pastor of New Canaan Baptist Church, 6145 Route 112.

Salisbury Regional Basketball Cougars Volunteering alongside our Lions.

You probably have seen Salisbury Regional School Cougars Basketball players volunteering alongside our Lions at various events in the community over the last six months such as at a recent RGMX event at the Lions Club Canteen where Libby Lewis and Josie Friars volunteered alongside our Lions. This is part of a partnership between the Lions and the Sr Men's and Women's Basketball teams where the players are working alongside our Lions as a thankyou for the Lions contribution in purchasing equipment. It has been so fun having these youth volunteer and encouraging to see their hard work and commitment to our community. The Lions are proud to mentor Tomorrows Leaders Today while at the same time learning from our youth. If you see one of our youth at a Lions event volunteering, tell them how much you appreciate them giving back to the community. It is important to celebrate our youth and provide them opportunities to shine.

Meet the Teachers Back to School Event at SES

Our Lions Serve the Salisbury community and on Thursday September 12th the Lions provided a BBQ for the meet the teacher night at Salisbury Elementary School where they Barbequed over 200 hot dogs and as always loved helping with community events such as this. We wonder just how many Hotdogs the Lions have Barbequed in Salisbury over the last 70 Years?

**Statement regarding rezoning of PID 00816140**

During the Regular Council Meeting on September 9, 2024, Salisbury Town Council unanimously passed third reading of amendments to municipal by-laws to redesignate a parcel of land, being parcel bearing PID 00816140 (off of Dundee Drive), from Residential to Village Centre. The intent of this rezoning was to permit up to 34 units (rental apartments) in five (5) multi-unit buildings, subject to conditions. Throughout the process, the proposed amendments passed unanimously by Council and previously at the Southeast Planning Review and Adjustment Committee (PRAC) at each phase of the process. Amendments of this nature entail a rigorous public process, which was undertaken and garnered both public support and opposition. On the evening of September 9, Council also discussed a petition received by over 80 neighbours in the immediate vicinity opposing the re-zoning. Council appreciates the input

from all residents who weighed into the process which is indicative of the engagement of our residents and of the importance of the democratic process that provides opportunity for this public input. In light of some concerns raised in the petition, the Town felt it important to issue additional information regarding the decision. With third reading having been passed unanimously, a detailed statement was issued by Mayor Robert Campbell on behalf of Town Council. It is available on the Town's website, [www.salisburynb.ca](http://www.salisburynb.ca), under the News and Updates/News section: <https://salisburynb.ca/statement-regarding-rezoning-of-pid-00816140/>. In addition to this public statement, the recording of the meeting of September 9, 2024, is also available for viewing on the Town's website under the Municipal Office/Your Council/Council Meetings Section: <https://salisburynb.ca/municipal-office/council-meetings/>.

## Salisbury Terry Fox Run Events Raise \$1,200

It was in 1980 that Terry Fox ran his Marathon of Hope to raise money for cancer research. Forty-four years later, his legacy continues with the annual Terry Fox Run held in communities all across Canada. The Salisbury Department of Recreation and Wellness held its Terry Fox Run on Sunday, Sept. 15, raising \$187.50 in on-site donations and another \$815 online through <https://terryfox.org/ways-to-give/>. Meantime, Salisbury Elementary School and Salisbury Regional School held their Terry Fox events on Tuesday,

Sept. 17, raising another \$200 toward the Salisbury effort.

## Thank You!

With the Summer coming to an end, the Town of Salisbury would like to thank our terrific Summer employees for their hard work. Great job!

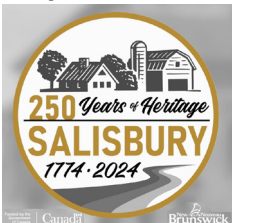

## Trail Vandalism Under Investigation

On September 7 in Salisbury, the baseball fields, bike park, and trail undergoing construction experienced significant damage as a result of theft and vandalism. This type of intentional behaviour is not representative of our community, and the Town is extremely disappointed that it has occurred. We are appreciative of the assistance of the RCMP who are continuing their investigation. Anyone with information should contact the RCMP by phoning 506-387-2222. Where this is an ongoing investigation, the Town is unable to speak to this matter further. Despite the damages, the contractor has continued work on the trail. As a reminder, any construction zone, including trails under construction, remain off-limit for residents regardless of investigations into damages.

## Salisbury 250 Focused on Local Government in September

In 1774, the first permanent settlers of the Salisbury area arrived from Yorkshire, England. Since that time, there have been many developments in the area, including the formation of the Local Improvement District prior to the incorporation of the Village of Salisbury. Most recently, following Local Governance Reform in New Brunswick, Salisbury became incorporated as a Town in January 2023. The first local government for the Salisbury area emerged in 1947 out of a need for a sewer system and streetlights. In a meeting held on May 14, 1947, elected

commissioners (Stewart Lewis, Earle Smith, and W. Marquis) met in a school room above the bank and decided to raise money through taxes for installation and upkeep of 50 streetlights. A second meeting that year (December 12) was organized to tackle the sewer system. The first Council of the Village of Salisbury was formed in 1967 with Trueman Wilson as Mayor. He was joined

The council expanded in 1974 to include four Councillors (Nelson Alward, Conrad Bleakney, Stirling Constantine, and William Goggin), in addition to the mayor (Ross Bleakney) and the clerk (Ida MacWilliam). Today, Town Council is made up of the Mayor (Rob Campbell), Deputy Mayor (Jason Gallant), Councillors of Ward 1 (John-Wiebe Dykstra), Ward 2 (Phyllis Bannister), Ward 3 (Sarah Colwell, Stephanie Thorne, Nathan O'Blenis) and Ward 4 (Joe D'Ettore), in addition to the Clerk and Chief Administrative Officer. In addition to Council, Town staff work hard at providing and maintaining a positive atmosphere for residents in the community from day-to-day. Municipal staff currently consists of 10 full-time staff members, 1 full-time contract, and 1 seasonal worker. Staff is divided into four departments: Administration, Department of Infrastructure and Public Works, Department of Recreation and Wellness, and Protective Services.

**211 caller testimonial**

Family members may want to help their loved ones in financial distress, but may not be able to do so because of their own financial constraints. Rest assured that 211 Service Navigators are there to give information on options for financial assistance for people in desperate circumstances.

A 211 Service Navigator took a call from a mother who stated that her daughter, who was in her late teens, was pregnant. She continued to explain that her daughter did not have any income of her own and would need financial support and vitamin supplements throughout her pregnancy. She also mentioned that, unfortunately, she could not help her daughter herself in terms of finances.

The Service Navigator listened to the caller and assured her that there was help available for her daughter. She probed for more details and clarified the situation with the caller to make sure that she thoroughly understood what the daughter would need. She made referrals for both income assistance and help to acquire the needed vitamin supplements.

The caller wrote down the information and repeated it to the Service Navigator. The Service Navigator also encouraged the caller to have her daughter contact 211 herself for more assistance during the prenatal period and after the baby was born. The caller said she would let her daughter know about the referrals and also about the 211 service.

Next time you're not quite sure where to access the help that you need, remember that Help Starts Here with 211. Our information and referral service is free, confidential, and available 24/7 in over 150 languages.
